About Room & Board

American Craft

More than 90% of our products are made by artisans in the U.S.

Trend-proof Style

We balance modern lines with timeless details, designing pieces that endure beyond this year's trends.

Sustainable by Design

Quality construction and timeless design add up to furniture that's kinder to the planet.

Sustainability strategic framework

Our aspiration is to be a sustainability leader that positively impacts society & the world

Sharing our message

Commitment to sustainable wood

Achieved **98% sustainably sourced wood** with a goal of 100% by the end of 2025

Social media post

Committed to sustainability

Our goal is to use 100% sustainably sourced wood across all products by 2025; we're at 85% now. And nearly all our solid wood, like that found in our Ventura dining table, comes from well-managed forests in the U.S. or Canada.
