Environment

EnduraPress™ Paper Trays

Alternative to expanded polystyrene (EPS) and plastic trays

- Strong moisture resistance
- Printability on outside of tray
- Suitable for hand or machine packaging
- Recyclable*

* In the few communities that accept multi-layer laminates, if empty, clean and dry

EverGrow[®] Moisture Coatings & Converted Solutions

Keeping your produce **fresh** and **protected**

- Moisture protection to match product needs
- Curbside recyclable
- How2Recycle prequalified
- Smurfit Westrock machinery enables on-site forming to reduce cost of change

*level of barrier coating is determined by produce type and cold chain needs

Scan.Learn.Recycle.®

Educating & Inspiring consumers about pizza box recycling

- Changing consumer behavior
- Confirmed recyclability
- Communication and QR code on box to educate consumers
- Tracking progress

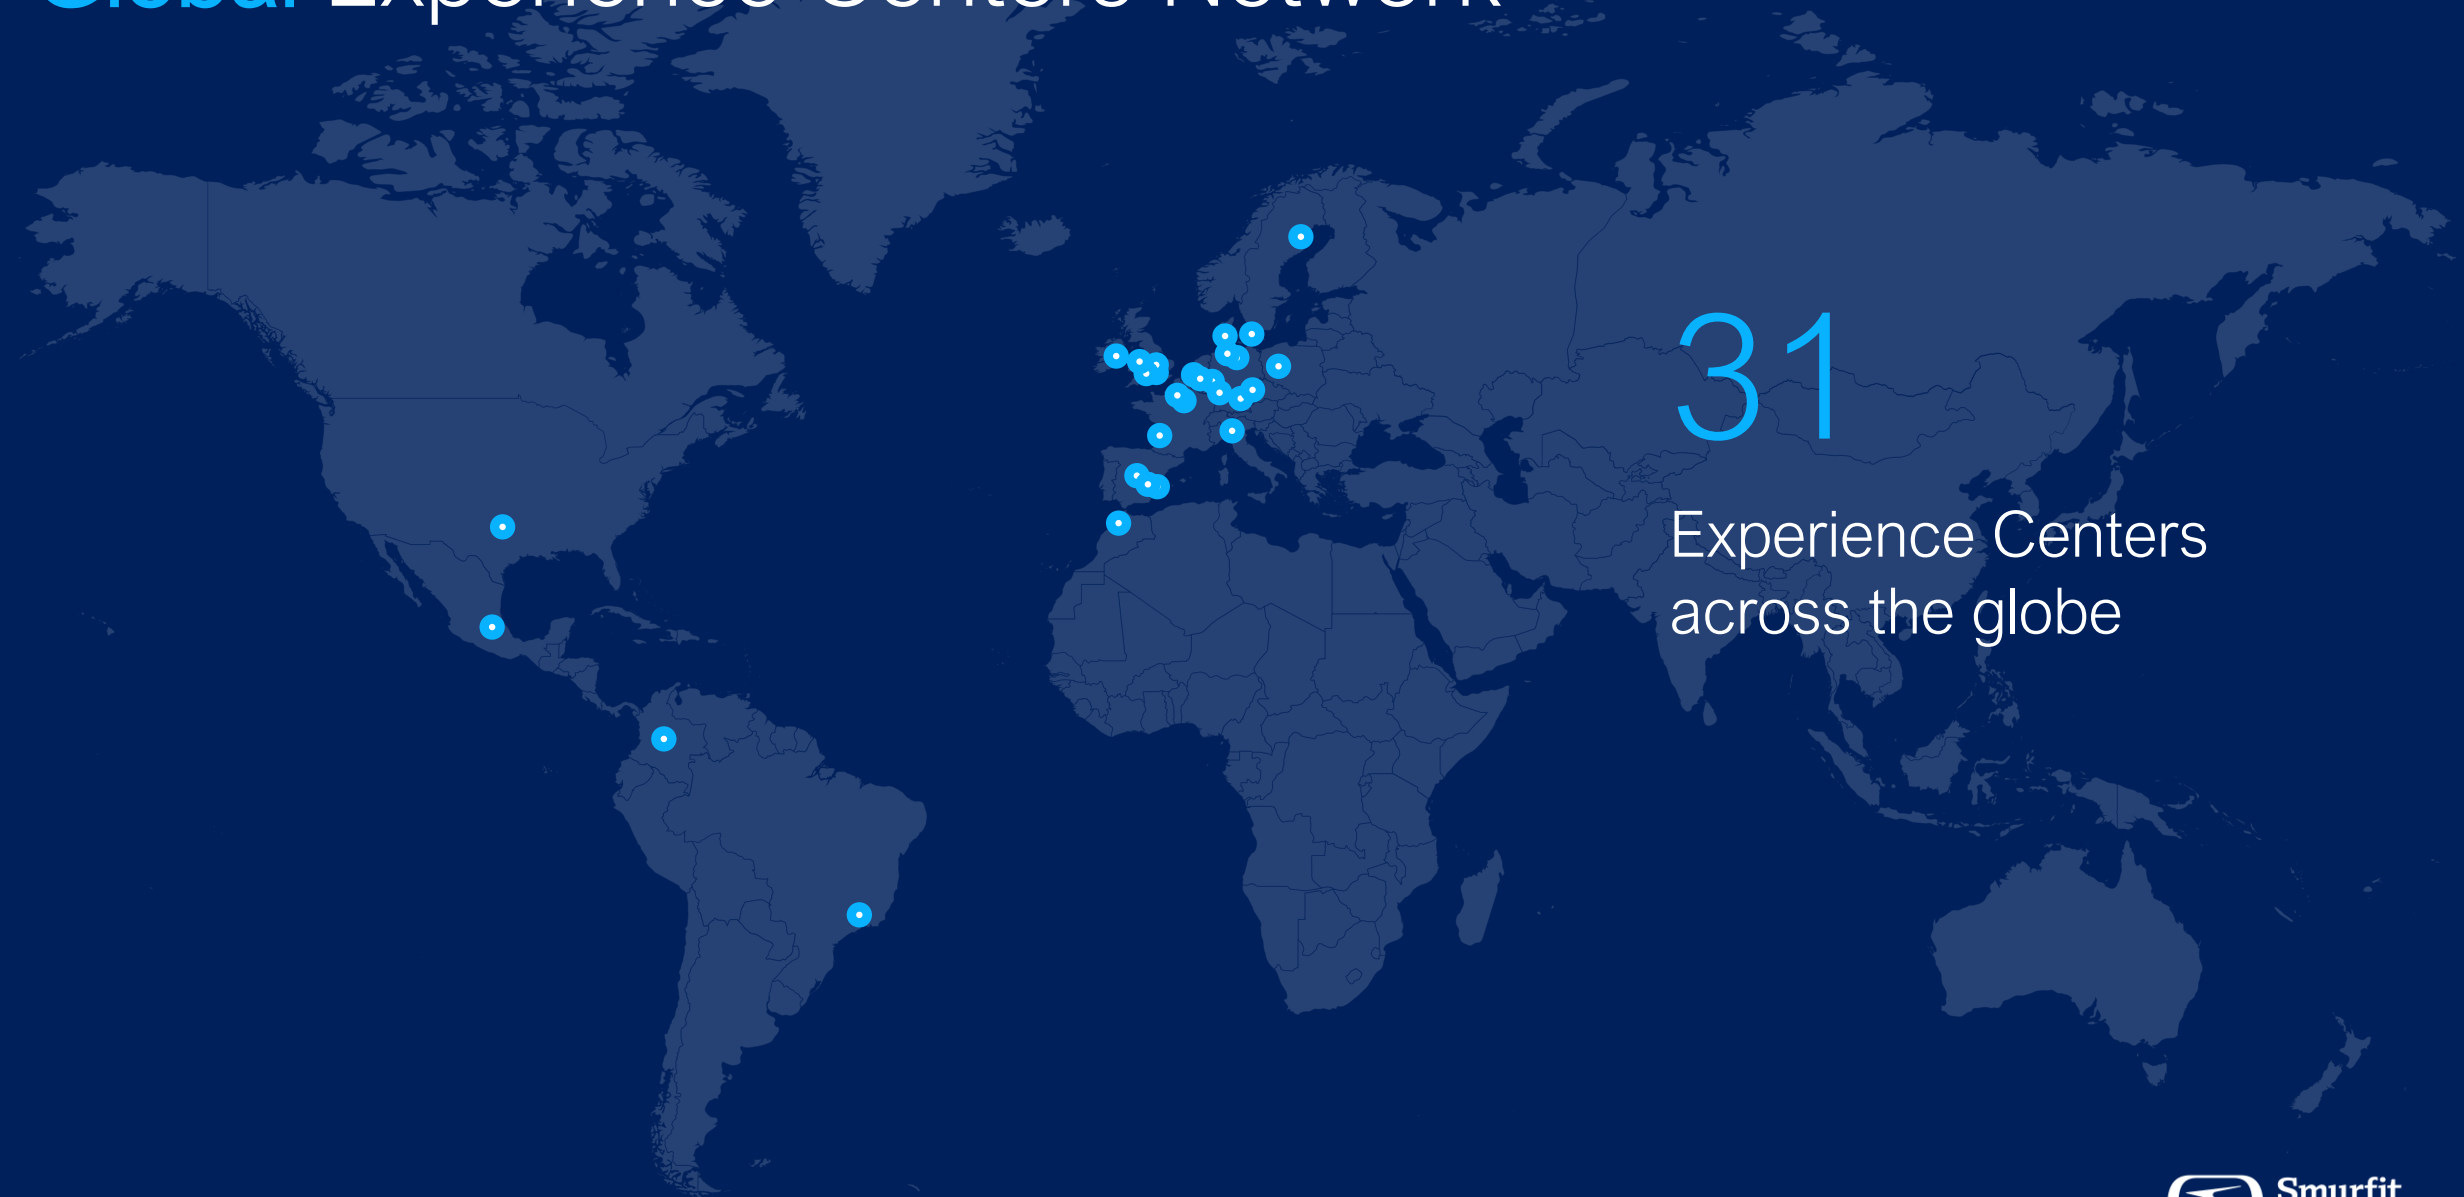

AgKraft® Paperboard Mulch

The future of sustainable farming

- Replaces plastic sheeting
- No change in application method
- Robust weed suppression
- Can be mulched into the ground
- Less material to landfill

Global Experience Centers Network

Experience Centers

Where **challenges become opportunities**, a space built to co-create solutions that deliver impact, speed, and scale.
